

LOW-COST DENTAL RESOURCES

Kansas City Metro & Cass County | A community resource from IBA - Insurance Benefits Advisors

AccessKC Health Assistance

Greater Kansas City area, including Cass County | Program help: 816-399-9651

Voucher-based help for eligible low-income, underinsured or uninsured residents. Services are intended to address short-term medical needs, and clients may receive assistance once within a 12-month period. Approved services may include basic dental treatment, eye exams and glasses, prescriptions, hearing support and durable medical equipment. Income, residency and program requirements apply; submitting an application does not guarantee approval. [AccessKC.org/help](https://www.accesskc.org/help)

Compass Health Network - Raymore

501 N. Sunset Lane, Raymore, MO 64083 | Dental: 660-890-8195 | Scheduling: 844-853-8937

Dental care for children and adults. Services may include exams, cleanings, X-rays, fillings, routine extractions, crowns, bridges and dentures. Ask about MO HealthNet participation and sliding-fee discounts.

UMKC School of Dentistry - Kansas City

650 E. 25th St., Kansas City, MO 64108 | General Clinic: 816-235-2100 | Insurance: 816-235-2122

Teaching clinic offering general, emergency and advanced dental care. Student and resident clinic fees may be lower than private-clinic rates. Call to confirm Medicaid participation, fees and emergency-care procedures.

Seton Center Dental Services - Kansas City

2816 E. 23rd St., Kansas City, MO 64127 | Dental: 816-581-4731

Offers screenings and restorative dental services. Call to confirm insurance participation and ask whether you may qualify for a sliding-fee discount.

Concorde Career College - Dental Hygiene Clinic

Kansas City, MO | Appointments: 816-595-2079

A possible option for lower-cost preventive dental hygiene services. Call to confirm current services, eligibility and fees before scheduling.

OTHER HELP WORTH ASKING ABOUT

Missouri Donated Dental Services: Volunteer dentists may provide free care to eligible Missouri residents who cannot afford treatment. Availability can be limited by county.

MO HealthNet: Members can use the state resource or call 800-392-2161 for help finding a participating dental provider.

IMPORTANT FOR MEDICARE CLIENTS

Original Medicare generally does not cover routine dental care such as checkups, cleanings, fillings or dentures. Some Medicare Advantage plans include dental benefits. Always check the specific plan and dental network before scheduling.

TIP: Ask whether the clinic accepts your specific Medicaid or Medicare Advantage dental plan, whether sliding-fee or self-pay discounts are available, and what documents you should bring.
